

The Melrose Park Neighbors Association

MPNA President – Andy Rudin

www.melroseparkneighbors.org

MPNA accomplishments:

- Input on design of new **SEPTA station** for Melrose Park
- Working to lessen the **pollution in Mill Run**, the stream that flows along Coventry and New Second Street
- Spring **cleanups** of public areas
- **Plantings** of flowers, trees and bushes

- Working with Cheltenham Township on **traffic and safety** issues
- Occasional **neighborhood gatherings** for information-sharing and friendship

MPNA visions for the future:

- Working with Cheltenham Township to acquire the Kerlin Farm as public greenspace at the corner of Ashbourne and Oak Lane Roads
- Providing input to the Township concerning the economic development of the East Cheltenham Avenue Commercial District and the cooperative Special Services District in cooperation with Philadelphia – both to stimulate business and clean up the Avenue at the same time
- Work with the new Community Development Corporation to minimize increases in residential taxes
