A reminder...

Melrose Park Neighbors Meeting

There will be a public meeting of the Melrose Park Neighbors Association this evening, October 22, 2007 at 7pm at the Elkins Park Library in the Community Room. The two candidates for Ward 5 commissioner – Tom Carboni and Mike Swavola – will answer questions that you have submitted.. I will moderate the discussion. Some good questions have come in. This is the first time I can remember where folks in Melrose Park could, through a public meeting, understand various options for our neighborhood before an election.

We also hope that Sergeant John Slavin will be there to discuss crime, speeding, stop signs and other community policing issues in Melrose Park.

You don't have to be an MPNA member to attend this or any other MPNA meeting.

Township Library survey

The citizens' committee studying the library system has asked us to fill out a survey form. I did, and it took only two or three minutes. The results from this poll will help in the decision of whether to keep the four-library system as is, expand one or more of the libraries, create one big library, or some other configuration of the system. I encourage you to register your opinions about our libraries' futures.
