Melrose Park Blog

Kevin Derr of Crest Avenue has just set up a Melrose Park Blog at Wordpress. The address is <http://melrosepark.wordpress.com/> He thought with winter coming on this might be a way for the neighborhood to chat without being outside, though, he says he would rather see people outside and talking, thought the blog might be useful. It would also be a place to post upcoming events and such.

Kevin goes on to say, "The whole thing is designed to be interactive. A place to carry on a conversation that is public. So, a topic is posted, and then people can comment raise other issues and the like. The first topic I posted was what would be a nice addition to the community. Now people can chime in and say, this is what I would like to see.... You can stop by the web site and see what is going on, you can also subscribe to receive any thing posted on the page. Either way, the simplest is to stop by the web page, the idea is to have people come back and leave comments, respond to what others have said and so on."
