Suggestions for contractors

Here is how you have responded to date to my request for your suggestions for good contractors:

Andrew: My wife and I use Bernie Goodman (Bernard J. Goodman) as our plumber. He is very competent and we trust him and we was highly recommended by our neighbor. His phone number is 215-635-5035 Don't confuse him with Goodman Plumbers. Bernie lives in Elkins Park. We feel equally good about our electrician, Roger Scarborough (Scarborough Electric) who we have used for many years. His phone number is 215-547-7010. Bob and Kay Schaffer. If anyone has any questions, they can feel free to email me at dart2300@aol.com.

Andrew:

For tree work, I recommend a long time Melrose Park resident- Dave Murk 7803 Haines Road: 215-635-2093.

For lawn mowing, bush trimming, gutter cleaning, mulching, snow plowing, and fall cleanouts- George Kelly- a neighbor of 30 years: 215-635-9209

I have used both of these services and they are both excellent with reasonable prices.

David Beck

I would recommend Orkin Electric (Jeff Orkin) in Jenkintown.(215) 572-1146 You can absolutely trust his work. His prices are typical.

Regards, Amy Steffen 215-635-1993

Amazing General Contractor - Carl Horner phone 215-429-2295
He's from Elkins Park, licensed and insured. He's done our garage conversion and our neighbor's kitchen. Very personal too.
Hanna & Frank Russo MPNA

Cheltenham Wants Comments on the Township's Website

Cheltenham Township officials invite public input on the upcoming redesign of the township's [website](#). Anyone with requests for new online features or options should submit their ideas by July 30, 2010, to [Public Information Officer Nancy K. Gibson](#) (215-887-6200, ext. 230). The professional redesign of the website is expected to be completed this year. MPNA

News from Friends of High School Park

Come See Our Sun – Up Close! with Alpert Lamperti: Sunday, July 18, 3-4pm. The Sun, our closest star, can safely be viewed through a telescope with special filters. It is dynamic and may show filaments, prominences, granulation and sunspots. Join Albert A. Lamperti, Observing Chairperson of the Delaware Valley Amateur Astronomers Association, and learn what these terms mean and see the sun through special filters like you have never seen it before. Please note: clouds or rain will not permit us to set up or see anything. Meet in High School Park, located at

High School and Montgomery Roads. FREE to all. Visit www.highschoolpark.org or call 215-782-8082 for more information.

Native Plant Restoration - Volunteer Workdays Saturday & Sunday 9-11am: July 24 & 25, August 7 & 8 and August 21 & 22. If you like to garden, be outdoors and/or are interested in learning more about native plants, please join Friends of High School Park for a volunteer workday in our 11-acre park with 4 distinct ecosystems. High School Park- Montgomery and High School Roads in Elkins Park, PA. RSVP's appreciated and drop-in's welcome. Groups are encouraged too! Bring gloves if available and meet at the park shed. 215-782-8082.

Dog Day Sunday with Dog Trainer, Louis Mande: Sunday, August 22, 2-4pm. Bring your dog to High School Park and learn some CLICKER trickes to keep "Fido" well-behaved and exercised. FREE to all. High School and Montgomery Roads. Visit www.highschoolpark.org or call 215-782-8082 for more information. MPNA
